Maggie's Story

Maggie McCallum died in a car accident in May 2004, just two years after receiving a lifesaving kidney transplant and many thought that her dream of raising funds for childhood kidney disease died with her but the power of one person's dream can change the world and as a result The "Magdalene Foundation" was formed.

The foundation is a non profit organisation run solely by volunteers, dedicated to fulfilling a little butterfly's dream of raising funds for research into kidney disease in children, so they can have a life filled with hope, health and happiness.

You can help grow Maggie's dream by:

- Making a monetary donation
 - Donate goods and services for auctions and raffles
 - Sponsor the ball
- All donations over \$2 are tax deductible.

For more information please call Rosemary or Andrew McCallum on (03) 5964 2930 or 0402 664 706

Because of you we can make a world of difference

Magdalene 
Foundation
Funding research for kidney kids

INVITES YOU TO

The
MAGICAL
GALA
Dinner

FRIDAY 17th JUNE 2011
PALLADIUM ROOM CROWN CASINO
